RICHARD E SPRAGUE

Dear Harold;

As I recall, I never did send you the tramp booklet, since I ran out of copies. I just had some more made and am enclosing one for you.

How are things going? I just received a letter from Mr Cutler who said you were visiting him. I think he'll be a valuable [illegible]. I've heard from Mr. Longbottom in Scotland and will send him some photo monograph materials.

Best Regards
Dick
